

Profile

Fede Industries Pvt. Ltd.

FEDE INDUSTRIES PVT LTD

About us:

We, Fede Industries Pvt. Ltd. is a Private Limited company and we emanated in 2018. Our journey began and we became operable in 2019. We mainly deal with the import | manufacture and disbursing of agri machinery, E-rickshaws, battery run cargo rickshaws, and their spare parts. All the products are made after a careful research with quality constituents and using leading-edge technology. Furthermore, we always try to keep in mind the diverse specifications, varied demand and details of requirement from our farmer and clientele. Thus our products are recommended by one and all due to their low maintenance features, long battery back-up, stylish look and durability. Our team of proficient workmen are well-known for their ethical business practices, loyalty towards their business and deftness and efficiency. It is the combination of a deft workmanship and honest approach in business that makes us stand out from the rest.
